Fees & Tuition Schedule

Southern Vales
CHRISTIAN COLLEGE

At Southern Vales Christian College, we believe outstanding Christian education should be accessible to more families. Our new 2027 fee structure has been designed to make an SVCC education more accessible, while maintaining our commitment to strong learning, genuine care and a Christ-centred community where every student is encouraged to belong, grow and serve.

Our fees are changing. Our purpose isn't.

A place to belong, a place to grow, a place to serve.

Sibling Concessions

SVCC recognises the financial commitment made by families with more than one child enrolled at the College. From 2027, sibling concessions will apply to tuition fees for children enrolled at the same time from the same immediate family:

- First child: full tuition fees
- Second child: 10% discount
- Third child: 20% discount
- Fourth and subsequent children: 30% discount

Sibling concessions apply to tuition fees only and do not apply to additional charges such as camps, excursions, stationery, VET or other optional activities.

School Card

School Card families will be charged Full Fees initially. Once the College is formally advised that your School Card application is successful, then the reduction will be applied to your account in July. Families who lodge late applications, after the College cut-off date will be charged the full Tuition Fee rate less any minor DECD component amounts of School Card. Please note, this means you must lodge your application, at the very latest, by the end of Week 3, Term 3. Earlier lodgment is preferable as State Government approval takes some time. Forms will be available from Week 3, Term 1. Please contact the College if you require a School Card form.

Camps

School camps are an important part of the student experience and provide opportunities for personal growth, relationship-building, outdoor education, and learning beyond the classroom. Under the proposed fee structure, camps are charged separately from the annual tuition fee. This ensures that only families whose children attend a camp are charged for that activity. Camp costs may vary depending on the year level, location, duration, transport, accommodation, and activities involved. Families will be advised of camp costs in advance.

- Primary - \$350
- Secondary - \$450

VET

Vocational Education and Training programs provide senior students with valuable pathway opportunities connected to further study, apprenticeships, traineeships, and employment. VET costs are not included in the standard annual tuition fee and are charged separately where a student elects to participate in a VET course. Fees may vary depending on the course selected, provider charges, materials, equipment, and any external certification requirements. Families will receive details of applicable VET costs before confirming enrolment in a course. The school will pay up to \$600 contribution per student

Student Stationery

Student stationery, including exercise books, folders, writing materials, subject-specific items, and other learning supplies, is the responsibility of families and is charged separately from tuition fees. Stationery requirements may vary by year level and subject selection. Families should allow for approximately \$150-\$200 per student per year, although actual costs may vary depending on individual subjects, suppliers, and whether items from previous years can be reused.

Excursions

Excursions provide students with opportunities to engage in learning outside the classroom and support curriculum, cultural, sporting, spiritual, and community experiences. Under the proposed fee structure, excursions are charged separately from the annual tuition fee. Costs may vary depending on the nature of the activity, transport, entry fees, staffing requirements, and location. Families will be informed of excursion details and costs prior to the activity taking place.

Payment of Fees

All fees are to be paid in the year in which they are charged.

All families are required to establish and maintain an Edstart payment plan for their College fees. Families can select a payment schedule that best suits their circumstances, including payment in full or regular instalments by direct debit or credit card.

To establish your Edstart payment plan, please register at edstart.com.au/svcc.

The Southern Vales Christian College Board reserves the right to terminate the enrolment of a student where fees remain in arrears. The College also reserves the right to charge late payment fees and any costs associated with the recovery of overdue accounts.

Where a student is to be withdrawn from the College, parents are required to provide the Principal with one term's notice (12 weeks) in writing prior to the withdrawal date. Where the required notice is not provided, parents will be liable for an additional term's fees.
